

## OFFICIAL MEMORANDUM

**TO:** All Stakeholders and Partners

**FROM:** ACA School, Green International Education Joint Stock Company, and  
Dakanvics Educational Technology Joint Stock Company

**DATE:** 21 August 2026

**SUBJECT:** Important Announcement on Our Development Activities in Vietnam

### I. ROLE OF ACA'S REPRESENTATIVE DIRECTOR IN VIETNAM

To ensure our commitment to educational quality and maintain seamless support between the two countries, we are pleased to introduce ACA's Representative and Project Development Director in Vietnam: **Mr. Pham Van Quyet**

With nearly 10 years of experience in managing and developing international education programs in Vietnam, operating school systems, and overseeing educational organizations, Mr. Pham Van Quyet will serve as a key bridge, contributing to the strong development of our strategic projects in Vietnam.

We firmly believe that with his solid expertise, extensive practical experience, and deep dedication to education, Mr. Pham Van Quyet's leadership will be a crucial factor in driving our development plans in Vietnam towards outstanding and sustainable success.

### II. PARTNERSHIP BETWEEN ACA AND GREEN INTERNATIONAL EDUCATION JOINT STOCK COMPANY

We are delighted to announce an official partnership between **ACA School** and **Green International Education Joint Stock Company**, a leading organization in Vietnam specializing in high-quality education and professional development. This collaboration marks a significant milestone in ACA's development in Vietnam, reaffirming our commitment to delivering globally recognized educational programs.

Through this partnership, ACA and Green International Education Joint Stock Company will work together to implement in-person training programs at schools in Vietnam. Our shared goal is to ensure that students receive a world-class education while preserving their cultural identity. In addition, both organizations will collaborate on curriculum development, teacher training, and academic exchange activities, fostering an engaging and innovative learning environment.

### **III. PARTNERSHIP BETWEEN ACA AND DAKANVICS EDUCATIONAL TECHNOLOGY JOINT STOCK COMPANY**

We are delighted to announce a partnership between **ACA School** and **Dakanvics Educational Technology Joint Stock Company**, an organization that develops and operates an educational technology platform supporting the digitization and delivery of online learning programs. This partnership provides the technological foundation for ACA's program development plans in Vietnam and worldwide.

Through this partnership, ACA and Dakanvics will work together to digitize ACA-approved content and learning materials and deliver them through the Dakanvics platform in online or blended online and in-person formats. Dakanvics will provide the technology infrastructure, progress-tracking tools, and technical support, while ACA will remain responsible for the curriculum, academic standards, assessment, and recognition of learning outcomes within ACA's authority.

Stay connected for more updates as we embark on this exciting journey of educational excellence together!

**Best regards,**
